

## **WILDCAT WEEKLY**

### **NEWS FROM THE PRINCIPAL'S LAIR**

**SEPTEMBER 11, 2006**

Dear Parents and Friends of St. Peter's,

The faculty and staff thank you for coming out this past week to the "Meet the Teachers" evenings. A terrific number of parents came out - some for three consecutive evenings! I appreciate you being there as well, for it is one of the few times that as Principal I can speak to a large number of our parents. As always, I am grateful for your choice of St. Peter's and the continued support you give to us. Keep us in your prayers as we do you each and every day!

Congratulations to the Wildcat football team. They defeated Beaufort last Thursday 18-14 for their first win of the season. The team has been working long and hard during those hot and humid days in August. The hard work paid off! The Lady Wildcat's Volleyball team will be on the court in a few weeks also. We look forward to our fall sports programs! Go Wildcats!

This is a quick reminder about early morning drop-off. If you drop off on Brother Patrick Way, remember to turn LEFT only when exiting onto Fourth Street. This helps avoid too much traffic directly in front of the school and increases the safety of our children. Also, the door into Primary always closes at the first bell – 8:00AM. After that time, please drop off at the main entrance to the school. Thanks again for helping making mornings and afternoons run so smoothly!

I hope that all of our parents know that they are always welcome to attend our school liturgies on Friday in the Church. It is a wonderful example for our students to see our faculty, staff and so many parents come together and worship the Lord! It certainly supports the very foundation of our Catholic school! My thanks to so many of you who come out and pray for our children!

"You can't win for trying" category...

When I arrived here over two years ago, there had been much discussion about improving the technology of our school. Much work had been done outlining areas that needed improvement. Thanks to your generous response each year to our technology fee, we have been able to implement many of those ideas and we will continue to do so. One area was a better website for communication with parents and alumni. We have a new and vastly improved website and it will continue to get better and better. I thank so many of you who have complimented us on this improvement. We are indebted to Mrs.

Yvonne Frazier for accepting this challenge! One would think everyone would be happy. Now there are some complaints about using this vehicle for communication! Go figure!

[If you do not have internet access, let us know!]

May God bless you and your families!

Mr. Fencik
