1-2 Message from the Principal

News from the Principal's Lair

Dear Parents and Friends of St. Peter's,

DON'T FORGET TO MOVE YOUR CLOCKS AHEAD THIS WEEKEND!

SCHEDULE CHANGE

There has been a change to the Middle School basketball tournament. Annunciation School in Havelock is the host school this year. The original weekend of Feb. 29/Mar. 1/Mar. 2 had to be changed because they could not use the gyms at the Marine Air Station at Cherry Point. This is an outstanding facility for this tournament. The host school could not obtain enough other schools to keep the dates the same. They changed the dates to FRIDAY, 7 MARCH, SATURDAY, 8 MARCH and SUNDAY, 9 MARCH.

FRIDAY, 7 MARCH—12 NOON DISMISSAL

RE-ENROLLMENT CONTRACTS

The Admission's Office has sent your re-enrollment packets for the 2008-09 school year. Please note the due date for its return with fees. If you have questions about the contract you sign, please do not hesitate to call or email Mrs. Micheala Fencik, Director of Admissions. If there are any financial issues, please contact Mrs. Jeanne Von Lehmden, Financial Officer. I thank you ahead of time for again choosing St. Peter's Catholic School. It is indeed a choice and a great sacrifice on your part! Your signed contract is a wonderful sign of your trust in the leadership and vision of the Administration and a deeply appreciated commitment to our wonderful faculty and staff. We are grateful that you share your child/children with us and support us in the important work of Catholic education.

AFTER-SCHOOL PROGRAM

There is almost \$4,000 owed to this program. This program needs your prompt payment for many reasons, most importantly, being able to pay the staff (mostly college students) on time. Please reconcile your account *ASAP!*

SOFTBALL

The softball program at our school has been very successful over the years. Right now we are in need of a Head Coach. There are some parents who are willing to help out, but I need one person to please volunteer to coach this program. Please let me know by this **MONDAY, 10 MARCH** if you are interested!

BREAKFAST

In a recent study documented in the *Pediatrics* journal and conducted by the University of Minnesota, there is an interesting conclusion about the importance of breakfast and weight gain for teenagers. The study concluded that teens can risk putting on unnecessary pounds and even be more prone to obesity, if breakfast is not a significant part of their daily food regimen. Parents should consider that too often a teen is going as many as 18 hours without food—between evening supper and lunch at school. The risk can increase as students leave the daily routine of Middle School and High School for college life—where schedules are far from routine and eating/exercise habits suffer! The study is worth looking at and has been highlighted by most national news services, and newspapers.

God bless you all...

John Fencik
